

## CHERCHIO TABLE

22" Dia x 24" H as shown

Custom sizing available

This cocktail table doubles as a functioning backgammon table made with Argentine Rosewood base and top and an ebony and bird's-eye maple Inlay. Features a tray for cocktails when game is in play, as well as a drawer for chips and dice, or additional cocktail space.

The base borrows cues from ancient pillows from Mesopotamia, where backgammon originated.

Available as shown or customizable to your desired dimensions, finish, material, etc.
