PALERMO HOLLYWOOD STOOL

18" W x 18" D x 40" H x 30" SH as shown

COM: 1.5 yds COL: 26 sq ft

The Palermo Hollywood Stool almost naturally evolved from the eponymous chairs, named for the Buenos Aires neighborhood that hosts the burgeoning film scene of the ever-evolving city. Shown in an Argentine Rosewood and COM and a burnished bronze footrest, this angular, solid wood frame is partially wrapped in the upholstery of your choice to create a subtle dialogue between these two contrasting materials. Available in bar or counter height and in any species solid wood or finish.
