## CARINA BOOTH

84" W x 84" D x 37" H

COM: 13 yds COL: 221 sq ft

Costantini prides itself in using the most beautiful hardwoods in the construction of its line of seating. Any of its standard chairs can be made into a booth, by repeating the back leg and building the rest of the structure to your specifications. The Carina Booth features an exposed solid wood frame and can be made with a tight as shown or an optional loose seat.
